IMODS is a not-for-profit organization dedicated to the revitalization of downtown Skokie.

We are comprised of merchants, property owners, residents and interested citizens who recognize the need to be involved to help shape the future of downtown Skokie.

We have been recognized by the Skokie Board of Trustees and funded through the downtown tax increment financing district to work with Planning, Zoning, Economic Development and the Manager's office on matters pertaining to downtown issues.

We welcome your questions and are actively seeking new members and volunteers.
